Time limit of caravans onsite

We offer a pitch licence term of 15 years. This is based on a new caravan being sited. Once your 15 years has expired, your choice is to trade in and purchase a new caravan (opening a new 15 year licence), or to sell or remove your caravan. We will help with all options.

If you wish to sell your caravan before the end of the 15 year period, the Holiday Park would have first refusal to purchase your caravan. This would be subject to its current condition and length of licence remaining. If we do not wish to purchase your caravan at this time, again we will help with contacts and getting prices for the sale and removal of your caravan. (see below for further information on this)

Owners cannot let out their caravans onsite.

All new vans must be purchased from UK Caravans Direct

Options if you want to sell your Static Caravan...

If you are coming to the end of your licence or ready for a change of caravan you do have options. You can trade your caravan in and purchase a new caravan through UK Caravans Direct & Bron-Y-Wendon. This would mean starting a new 15 year agreement.

If for any reason you wish to cancel your licence and sell your caravan during your 15 year agreement, you would firstly need to give us a minimum of 2 months' notice and we have first refusal to purchase your caravan. Should Bron-Y-Wendon not want to purchase your caravan, we would then get prices for you from our partners. At this point you could also look to sell the caravan privately, but the caravan must leave site. This would also then incur a disconnection fee, payable to the holiday park.

If you purchase a caravan with us, your licence will state the details below;

1. Bron-Y-Wendon have first refusal to purchase your caravan at the point of giving notice.
 - a. If purchased by Bron-Y-Wendon we can then either sell your caravan on site or externally.
2. Sell your caravan through a third party with the caravan being taken off park. This can be organised by the holiday park or yourselves,
 - a. A disconnection fee applies
