

Dear Customer

Touring Charges – Summer 2024

We have pleasure of informing you of our various tariffs for the 2024 season, along with our booking conditions and park rules. Please take time to read these as we have made some changes/additions. All our seasonal pitches have electricity, water and grey waste which are included in the price.

Current Seasonal Customer

We hope you will wish to remain a seasonal customer at Bron-Y-Wendon for 2024. Preference of pitch will be given to yourselves, providing you complete and return the attached form, along with your deposit of £650.00 by 1 June 2023.

New Seasonal Customer

We strongly encourage you to view the park before choosing a pitch preference or accepting a pitch. When completing the booking form, you may express for a specific pitch, but please note this is only a preference. If your first-choice pitch is unavailable we shall endeavour to find a mutually agreeable alternative. We ask you to complete the attached booking form and return it to us. We will check availability with regards to your requirements and contact you within a few days to confirm details and/or options. Only when a pitch is agreed do we require payment in accordance with our attached terms and conditions.

A deposit of £650.00 will be required at time of booking to secure your allocated pitch.

Further Information

If you are considering changing your caravan at any point before or during the 2024 season, please let us know before you commit to the change as this can have an impact on your pitch preference.

All our pitches have their own water supply, during extreme weather conditions these may have to be turned off to avoid damage to the equipment.

As part of planning for our customer's needs, we strive to maintain and improve our high standards on the park, and we are constantly investing in our facilities for all to enjoy.

We are part of both the Visit Wales and the AA grading schemes and our continuing investment in the park has enabled us to continue to achieve 5 stars from Visit Wales and 5 pennants from the AA which are the highest grades awarded by these organisations.

If you require any further assistance, please contact reception.

We look forward to receiving your booking form along with your deposit, should you have been informed of availability.

Yours faithfully

Bron-Y-Wendon
